Grandparents Day
Yesterday we welcomed over 100 grandparents to our school to celebrate Grandparents Day. Our special visitors participated in activities like storytelling, news, photo sharing and reading to groups of children. Some grandparents shared their memories of when they went to school back in their day and many stayed for a special recess with our children. Thank you to all the grandparents who came along to celebrate this special day, acknowledging the important role you play in the lives of our students.

Working Bee -Postponed
We had great plans for a working bee this Saturday. Unfortunately, due to the extreme heat that’s predicted, we will need to postpone it to another time. Hopefully, you will have noticed the new and improved gardens that are springing up around our school. We will have another Working Bee this term if the weather permits. The “Secret Garden” at the corner of the school will be the centre of attention this time, removing bracken and asparagus fern and other weeds. The Serpent garden (near Yr 2 rooms) will also receive attention if we have enough time / helpers. We have had a very kind donation of bromeliads and agapanthus from one of our gardening mums who was giving her home garden and clean out and we are always happy to accept donations and replant these as a way of cutting our costs. The new garden under our sign is all native plants that flower in red and white so they will be very impressive when they grow enough to be seen!

Homework Club
We have had great success with our Monday afternoon Homework Club with around 20 students from Stage 2 and 3 attending each week. Due to interest shown in the Year 2 transition meeting last week, we are going to extend the invitation to our Year 2 students to join in. A permission note is accompanying this newsletter and, as for all our Homework Club students, they will need to be collected by a parent at 4.00pm on the Mondays they attend. Children are not allowed to walk home unaccompanied at the conclusion of the session.

NRMA Road Safety Science Show
On Monday next week, we will be visited by this special show, designed to improve children’s awareness of Road Safety and ways to remain safe. A part of this day is given to children to bring along their own bike helmet and some stickers, glue, cable ties (if they want to dissuade magpies) or other items to use to decorate their helmet. This is not a compulsory activity but children are most welcome to bring in their helmet and decorative items if they choose. The show itself is presented with no cost to students.

Mrs K. Whealey
PRINCIPAL.

P & C NEWS.

School Banking
It is School Banking this Friday 31 October. Don't forget to give your deposit books to your teacher first thing in the morning.

FROM OUR STAFF

LIBRARY NEWS:
OVERDUES:
As we are drawing closer to the end of the school year it is important that all students return overdue books promptly. There is an enormous amount of overdue books sitting in quiet places in your homes. Please help find these wayward books and send them back to the Library ready to be read again next year.

TIN CANS NEEDED:
Help! Need clean tin cans without sharp edges for Stage 1 experiments. 200 are required!! Instead of putting the cans into your recycle bin at home kindly send them to the Library.
Mrs R. Santos (teacher-Librarian)

Year 6 Farewell Committee Meeting.
There will be a Yr6 committee meeting this Friday (31 Oct) at 3pm in Mrs Lappan’s classroom.
