Message from the Principal.

Welcome to the 2015 school year – another year of great learning!

We hope all our families enjoyed the holiday period and, although we won’t start our usual Tuesday newsletter until next week, I wanted to take this opportunity to make you aware of our latest information.

We are very pleased indeed, to welcome 27 new students to Woy Woy South PS in addition to our new Kindergarten students. As you can imagine, an influx of this many students significantly affects the organisation of classes. As a result, we need to ensure that our numbers are correct to avoid a reshuffle of students further down the track.

Today, students were placed into a tentative 2015 class. There will be changes to these classes next week when we have made sure that all our students from last year are accounted for and we have definite numbers for each class. Sometimes our existing students may move address over the holidays and it takes us a great deal of time to locate them and determine whether they will return.

As soon as possible, students will be confirmed into 2015 classes. We are aiming to do this early next week once all new Kindergarten students have arrived and we have tracked any students who have not returned. As each stage group works as a collaborative team, students will be receiving lessons aligned with the curriculum during this week which will then continue smoothly if classes are changed. The group of teachers on each stage will not be affected although we are hoping to be able to form an additional Stage 2 class at this point.

Thankyou for your understanding and we will ensure classes are finalised as soon as possible.

Thanks to Rebecca Johnson, the uniform shop is open every day this week for your convenience.

We are very pleased to welcome back Mrs Jennifer Parker and to welcome our new Assistant Principal – Mrs Michelle Reid who joins us from Killarney Vale Public School.
